 In Christ

---

Welcome!

We are glad that you have shown interest in the archive and downloaded it. We do not know with what interest you did this - just out of curiosity or to serve God.

If out of curiosity, then watch, study, analyze.

If you are a Christian who is already spiritually firmly on his feet, then in this message you probably will not find anything new for yourself, this message is rather for Christians who have in their hearts the desire to do something useful for the Lord, but do not have enough knowledge and / or experience.

Before further reading, we ask you to relax and read carefully, trying to understand the whole meaning and take everything written here with special seriousness.

We would like to emphasize that **God is holy and His Word is holy!** *Therefore, it is necessary to take this very seriously!*

The core (axis) of Christianity lies in God and His Son Jesus Christ through whom He reconciled people with Himself.

As we know, God is holy and hates sin! Man, on the contrary, has become sinful and cannot resist it, essentially becoming a slave to sin. We also know that in due time God will isolate or destroy everything sinful.

Fortunately for us, God loved people, and loved them so much that he did not let us perish, and He Himself, being holy, pure from sin, bore the punishment for sinful people! After all, how else could the holy God and sinful man be reunited? God built a bridge between himself and people through Jesus Christ!

Do you have a strong imagination?

Imagine a sea or an ocean, a ship is sailing on it - this is the Kingdom of Heaven!

The captain of this ship is God!

Not far away overboard there are people in trouble and dying, who need help.

There is also a crew on the ship - these are the Celestials, among whom the Savior is Jesus Christ,

He works tirelessly and throws a "lifebuoy" into the water to these people - this is the Word of God (the Bible, the Gospel), and He pulls the lifebuoy by the "rope" - these are people (Christians).

This was an approximate image of the mechanism for saving humanity from the fall, which you can join!

God bless!
